## THE SMALL DEVICE THAT PACKS A **BIG PUNCH!**

### The latest innovation in skin rejuvenation

The WOW fusion is a unique new needling device that allows your practitioner to design a bespoke personalised cocktail especially for your skin. The personalised serum is delivered via 20 gold plated titanium needles that are as fine as a human hair. The needles create micro channels in the skin and deliver the serum where it needs to be, to improve the skin condition at a cellular level.

### The WOW fusion and the serums we use can improve

- ✓ Fine lines and wrinkles
- ✓ Rosacea and redness
- ✓ Open pores
- ✓ Oily skin
- ✓ Dehydrated skin
- ✓ Hyperpigmentation
- ✓ Dull skin
- ✓ Acne
